Dave,

Can I have a copy of the attachment? Use "forward".

Thanks.

Elaine

FYI. The second attachment whose title starts with GKM highlights the personnel resources from your division who have been activated for the Gold King Mine response.

If you think you (Serena, Carolyn and Dave) would like short, frequent?/periodic? meetings Elaine and me to update you on our response-related activities, please let us know.

Subject: Soudelor & Gold King Org Chart for 8/14/15

Attached please find the org chart for Typhoon Soudelor and Gold King. Starting tomorrow there will be a separate org chart for each incident.

Cheers,
